

Please choose 5 words each week for your child to practice. Once your child is able to read and write the word, put a check mark in the box and you may move on to a new word. Once your child has mastered all of the words on the list, we will assess them at school and give them a new list of words! Please turn in this folder with your homework each Friday so that we may check your progress!

## Sight Words - List B

Sight Word	✓	Sight Word	✓
up		be
